

THE QUIET ONE

Best-In-Class Quiet Blending Technology

The ultimate blender with unparalleled sound reduction, exceptional beverage blends, and improved speed of service.

Smart Product Design

- Advanced vibration dampening technology results in quality drinks in a more enjoyable atmosphere
- Magnetically secured floating sound enclosure is dramatically easier to clean and disassemble with no screws to damage the enclosure
- 6 program buttons with 34 optimized programs for easier, consistent blending
- Advance container creates faster, smoother pouring and has a longer blade life resulting in time and cost savings along with improved customer experience
- Air management and powerful 3 peak output HP motor reduces noise, improves reliability, and reduces down time

50031 • 58674
